**Welcome to San Angelo!**

**Pan American Golf Association**

**National Winter Meeting  
and  
Golf Tournament**

Greetings:

As Mayor it is my privilege and honor to welcome each of you to San Angelo. We are honored and delighted to have the opportunity to invite you here for the Pan American Golf Association's Winter Meeting and Golf Tournament. And in addition to recognize the 35<sup>th</sup> anniversary of the San Angelo Pan American Golf Association. We wish each of you an enjoyable stay, and also wish you well in the Golf Tournament.

While here, we invite you to enjoy some of our many fine restaurants. We hope you have an opportunity to visit some of our historical sites and other local attractions. A trip to Fort Concho is always a treat since so much of the Fort has been restored. Come enjoy the exhibits and get a feel of the Old West and the early Texas frontier. San Angelo Museum of Fine Arts is a work of art in and of itself. Enjoy the unique architecture as well as the art exhibits.

San Angelo has made a significant effort to begin redeveloping its downtown and surrounding areas. Visit Concho Street with its exciting shops and restaurants. Walk along the El Paseo de Santa Angela Park area that links Fort Concho and the downtown area. This redevelopment effort includes Park areas, Fort Concho, the Downtown, the State Office Complex, the Museum of Fine Arts, and the River Stage. A new Visitor Center is ready to begin construction as well as a new YMCA center as the redevelopment process continues.

Again, we welcome you to beautiful San Angelo! We hope your stay will be memorable and your golf game successful! And we invite you back again, anytime, for business or pleasure. San Angelo is a great place to work and to live.

Sincerely,

Rudy Izzard  
Mayor of San Angelo

## **San Angelo PAGA HISTORY**

In early 1966 the idea of organizing a golf club in San Angelo began to take shape. The result was the formation of a local golfing organization that caught on quickly with area golfers. After a number of meetings, the first president was elected in February 1966. Various members became acquainted with individuals from San Antonio and Austin Pan American Golf Association Chapters and were informed as to the benefits of membership into the National PAGA.

At the Warm-up in May 1966 in Corpus Christi, a delegation from the San Angelo Golf Club went to apply for membership with the PAGA. The San Angelo Chapter was accepted and several members participated in the Annual Tournament in Corpus Christi. The San Angelo Pan American Golf was born and on its way.

In 1968, the San Angelo Chapter approached the City of San Angelo and asked to lease Lakeside Golf Course from the city. The lease was approved and the San Angelo Chapter had the distinction of being the only chapter of the PAGA to have its own golf course. Several years back the City of San Angelo expanded the Airport and demolished Lakeside Golf Course leaving only some great memories.

The San Angelo Chapter has been instrumental in assisting area PAGA chapters in attaining membership into the organization.

Various individuals of our chapter, are active in sponsoring, promoting, and participating in local charitable events. In 1989, a member of our chapter became a national officer and later national president.

We have been fortunate to have a number of people help start and continue the growth of our proud chapter. The past and current members are far to many to mention or single out individually. As every member regardless of how small the contribution has been instrumental in helping us grow and remain successful.
